Main Regulation:

- ✓ Each University will provide individual DPI for its participants
- ✓ The attendance is limited to 15 to 20 students from each University and 2 to 3 accompanying persons.
- ✓ Three different types of topics may be developed by the participants:
 1. Discussion of their experimental thesis;
 2. Review on a specific topic regarding PLF;
 3. Lecture on a new imaginary and invented sensor/machine that may be developed.
- ✓ The slides of all presentations will be in English. Oral presentations will be preferably in English.
- ✓ Graduated students may be admitted to defend their experimental thesis. In this case, the venue of the conference will be reached by their means.
- ✓ On the basis of the lectures that will be proposed, some awards will be assigned (the number of awards will be decided when the titles of the lectures will be defined, presumably within the middle of June).
- ✓ Each participant will receive a certificate of attendance (ASPA brand and brands of the four Universities).
- ✓ The common expenses for the congress have been identified in 2 coffee break, 1 lunch on day 2 and 1 light lunch (buffet) on day 3.
- ✓ Free attendance to the next ASPA meeting held in Bari will be guaranteed for the winners of the awards.
- ✓ Awards will be decided according to the financial support of the sponsors.
